RECALL ALERT:

Abbott Voluntarily Recalls Certain Similac® Brand Powder Infant Formulas That Did Not Meet Its Quality Standards

Dutchess County Department of Health has been advised of the following recall. Please provide broad distribution of this information to your viewers/readers/listeners. Thank you.

Who: Abbott

What: The recall of these powder infant formulas includes:

- Certain Similac powder product lines offered in plastic containers.
- Certain Similac powder product lines offered in cans (8, 12.4, and 12.9-ounce).

Where: Abbott is initiating a proactive, voluntary recall of certain Similac-brand, powder infant formulas in the U.S., Puerto Rico, Guam and some countries in the Caribbean due to the remote possibility of the presence of a small common beetle in the product produced in one production area in a single manufacturing facility.

What to do: To immediately find out if the product in your possession is included in this recall, parents and caregivers should visit www.similac.com/recall/lookup, and type in their lot number to determine if their product is affected, or call (888) 376-2054.
