RECALL ALERT: FDA RECALLS CERTAIN PISTACHIO PRODUCTS

Dutchess County Department of Health has been advised of the following recall. Please provide broad distribution of this information to your viewers/readers/listeners. Thank you.

Who: Setton Pistachio of Terra Bella Inc, Calif.

What: Food items that use pistachios distributed by Setton Pistachio of Terra Bella Inc, California have been recalled due to possible contamination of *Salmonella*.

Where: The company has stopped all distribution of processed pistachios and will issue a voluntary recall involving approximately 1 million pounds of its products. Because the pistachios were used as ingredients in a variety of foods, it is likely this recall will impact many products. In addition, the investigation at the company is ongoing and may lead to additional pistachio product recalls.

What to do: - Check list of items recalled. Avoid eating any products that are listed
