

Recycle Container Loan Program

Want to recycle cans and bottles at your next event? The Dutchess County Division of Solid Waste Management will provide recycling containers for plastic, glass and aluminum containers! The loan program is available to community groups, municipalities, non-profit organizations, businesses, and others who wish to collect and recycle materials generated at events held in Dutchess County. The containers are great for use at community events, fairs and festivals. **There is no cost to borrow the containers (a deposit is required in case of damaged or lost containers).**

Up to 30 containers are available. Containers are available on a first-come, first-served basis and any number or all of the containers may be reserved at once, if available.

Containers are available at no cost. We will provide two FREE clear recycling bags per container borrowed. Additional bags can be purchased on your own at: www.clearainers.com or at an office supply or home improvement store. The bags need to be **clear** trash bags and they must be 40" by 45" to fit the frame.

A REFUNDABLE deposit of \$50 for loans of 1 to 10 containers, \$100 for loans of 11 – 20 containers and \$200 for loans of 21-30 containers, is due upon pickup. When the undamaged equipment is returned, a refund of the deposit will be issued by mail within 4 days of the return. Any damaged, missing, cleaning or late return fees will be deducted from the deposit. A deposit is not required for municipal-sponsored events.

Please reserve the containers at least two weeks in advance. Containers are loaned for short-term events only (four days or less) and containers must be returned within three days after the event.

All materials collected in the containers are the property of the event coordinators. If collection service isn't provided by the event site, contact a local transfer station for recycling. For a list of transfer stations please see: www.co.dutchess.ny.us/CountyGov/Departments/SolidWasteMgmt/TSRprg.htm

Tips: Place a recycling container next to every trash can. Use clear bags for recycling. Thank your guests for recycling and for helping to save our environment!

Call Kerry Russell at 845-463-6020 to reserve containers, or email:

Solidwastemgmt@dutchessny.gov. Containers are available for pickup at 96 Sand Dock Road, Poughkeepsie, NY. Container delivery is not available.
