In making any such designation the Commissioner of Solid Waste Management shall give due consideration to the capacity of any facility so designated, the size and population of the area or person or persons to be served and such other factors as shall enable the Commissioner of Solid Waste Management to determine that the public interest is served by such designation. No person shall dispose of solid waste generated within or coming into from outside of the County of Dutchess, except at a solid waste management-resource recovery facility designated by the Commissioner of Solid Waste Management in accordance with this Section. The Commissioner of Solid Waste Management is hereby authorized and directed to promulgate such rules and regulations as he shall determine to be necessary to effectuate the purposes of this local law, including the requirement that all private haulers of solid waste be licensed by the Commissioner of Solid Waste Management. All acts and proceedings taken by the Commissioner of Solid Waste Management pursuant to this local law shall, in all respects, be consistent with the Environmental Conservation Law and other applicable laws and rules and regulations promulgated pursuant thereto.

SECTION 5. Enforcement. If any section, provision, or part thereof, in this local law, or the application thereof to any person or circumstances, is adjudged invalid or unconstitutional by a court of competent jurisdiction, then such adjudication shall not affect the validity of the remainder of the local law or the validity of the local law as a whole or any sections, provisions, or part thereof, not so adjudged invalid or unconstitutional and the application of the local law or any section, provision or part thereof, to other persons or circumstances shall not be affected by said adjudication.
