H. MULTIPLE REGISTER METER CHARGE

Each register billed for gallonage plus service charge based on size of the meter.

J. RETURNED CHECK CHARGE

There will be a returned check charge of \$20.00. The Dutchess County Water and Wastewater Authority (DCWWA) reserves the right not to accept checks in the future.

When water service is shut off at the request of the customer, there will be a \$40.00 charge for restoration of service. When service is switched off at the curb, there is no minimum water charge or monthly service fee. However, any applicable capital surcharges will remain in effect.
